1. Helvedere 60 appears to be only a casual contact of ☐ and ☐ I assume from your WMA-3005, that he was never actually placed on the payroll. He have therefore allocated no funds for this project.

2. Please submit a memorandum clarifying the current status of Helvedere 60 vis-a-vis ☐ and ☐ in order that we may keep our records up to date. If Subject is still in active contact with either of these individuals please forward further details of his activities. For your information all files contain no record of Subject or any of the other names in WMA-3005 (Vol. Part I).

3. Occasional payments for special services performed by this type case but such as procurement of local documents, housing, etc., should normally come out of ☐ 's own operational expense allowance, or if ☐ clears a particular expenditure with you, it should be charged to ☐.

4. I am preparing a separate memorandum concerning the procurement of various local documents necessary for ☐ operations. It is our understanding that such documentation is usually available through the Karlsruhe and/or WMA administrative support sections. Please correct me if this is not the case.
